START OF THE SEASON

Very pleasant to sit on the verandah urging on the firsts in the autumn sunshine. Then the aftermatch replays. Six deep at the bar; kids crawling between legs; coaches saying what should have happened; players saying what will happen. Felheim in his gentle voice saying "QUITE, I'LL-AVE-YER", speeches, boat races; noise; good fun - the season has started!

FIRST versus PORT ADELAIDE - WON 20-17

We won, but only just. Doug Schwebel kicked a penalty in the last minute to give us the winning margin in a close game. Port were good in all areas and credit goes to them for giving us a good workout.

Best forwards were old timer Richard Waddicor and newcomer Greg Pearce, whilst in the backs Sean Beaton and Kevin Wadron had good games.

We looked good at half time, the score being 14-6, but in the second half we gave away too much ball by kicking and some sloppy tackling allowed the score to be 17 all until the final penalty won us the match.

SECOND versus PORT - WON 14-6

The seconds started the season well with a good win. Bill Schimke, playing his first match showed heaps of promise and was best player in the backs. Loch Andrews also played well and Arch Younger was the best forward. Bruce Ward showed all and sundry just how fit he is by being unable to run the distance to score. Grant Grace unfortunately "bent" his back; and so the team was short for much of the game.

THIRDS versus UNI - WON 34 - Nil

Captain coached by the Welsh legend John Davies play started with plenty of furious 3 man lineouts and 5 man scrums together with heaps of panic play.

The exceptionally scrappy play of the combined Uni team finally allowed us to score a well deserved try by the Representative Extrordinaire Ray (Billy) Murphy.

From this point the team settled down to finally win 34-0. Oscar Jones, Tony Nugent and Dave Jewell played well and it was good to see our New Fijean, as yet unfit, make some breaks. Newcomers Burges and Quinten were also sighted. Peter Yates, brother of the pillman, also went well.

With three hookers in the front row hooking we didn't lose a ball!

FOURTHS versus BRIGHTON - LOST 12-0

Dear Mum,

Today the fourths didn't play rugby so we went to Bailey to assist Brighton in winning practice.

Frank Miller now of Brighton apologises for winning an undue amount of scrums, whilst our own team encouraged Bob Miller in his goal kicking by supplying the necessary penalties. (The Millers are both ex Old Collegians). The practice was nearly jeopardised by the two flagrant and irresponsible tackles by our own club.

The Farrah showing though massive was unfit unskilled and unwarranted. Douglas brothers also rendered assistance but it was the Millers' day.

At least it did move the cobwebs from everyones boots.

WEIGHT

PAUL'S COMMENTS

Sorry about no newsletter last week but hopefully this double issue will compensate. Unfortunately a trip to Leigh Creek and Anzac Day made the Newsletter late.

As you can see the format of the Newsletter has changed and so has the cost. The Committee is aiming to break even by advertising, so please ask around for donations or advertisements.

Please remember if you change your address, or for some reason you are not receiving the Newsletter it is your responsibility to ensure your name is on the circulation list. Otherwise the Club is wasting money paying to send a Newsletter which is only returned.

STATE GAME VERSUS NIPPON JAPAN - LOST 32-15

We had three players in the State Team who played in an exciting match on Saturday 21, against Japan. Richard Waddicor, Bob Inskipp and Jamie Perkins all had good games. The lead changed three or four times and with 15 minutes to go the score was 15-13. However early season lack of fitness and Japan's brilliant ball handling and backing up finally won the match. Overall a reasonable performance by SA.

SOCIAL NEWS

Laurie Evans had a good turnout for the crucifixion keg at Easter. He is not sure how many days it was before the red lines in front of his eyes finally went away.

The social committee are planning an Auction in a few weeks time. This will be at the Club on a Saturday night with a meal provided.

A fun night where you can pick up some bargains and make others happy whilst saving yourself a trip to the tip.

Please sort through your cupboards and see what you can donate to the club. Dinny Farrah indicated he would offer his body to the highest bidder, but everyone laughed!

MATCH REPORTS - SUNDAY 22 APRIL

FIRSTS VERSUS NORTH ADELAIDE - WON 17-3

We had plenty of possession, but little constructive play made it a lack lustre game.

The backs didn't play with confidence, perhaps because of new players in the line. I heard one comment from a back who said they wished the forwards won less ball because they dropped it so much.

Forwards were good in set pieces but ragged in rucks and mauls.

Bob Inskipp, Brian Sullivan and Greg Pearce were best in the forwards and Kevin Waldron and Lock Andrews were the best backs.

Overall, a win but a disappointing one.

SECONDS VERSUS NORTH ADELAIDE - WON 96-0

Captain Brown's comments were an excellent run, with no passengers. He was also heard on the field, in between gasping for air.

Chris Dodson amazed everyone by scoring a try and was seen going to a telephone box to tell Canberra the result.

Bill Sheeky managed to cross the line a few times. I think there were only two occasions when he didn't score after receiving the ball.

Our new Fijian member, Waz, scored a good try, but required oxygen afterwards and a similar comment to Pete Yates.

A good teameffort.

Best Players were Warren Brown and Ray Murphy.

THIRDS VERSUS SALISBURY - WON 17-3

This was a good game to watch, and Salisbury are certainly improving. It will be interesting to see them in a few years time. The Farrah combination of Tim pussyfooting about and Peter bulldozing his way through was enlightening.

Dave Ashton kicked well, Alf Quniten caught well in the lineouts and Mumbles was seen with determination on his face heading for the tryline. Peter Rose on the wing certainly had many close attempts at scoring.

A good team effort.

FOURTHS VERSUS COMBINED UNI - WON 13-8

The first excitement in this game came after 29 minutes, when the two sides actually took the field. After 2 minutes play the President was deemed to be in his usual off side position. The first half was evenly contested with Collegians leading one try to nil.

In the second half Collegians increased its lead to 7 points when Farrah whistled up the only breath of wind on an otherwise calm day to swing his drop kick penalty between the posts.

Uni fought well, and scored two tries. It was an enjoyable game played in excellent spirit on both sides.

Best forwards were John Bowen and Bob Burgess, and best backs were boots Farrah and Bob Dean and Eric Thiele.

The centre was running hard with the ball and the wing backing him up was crying "pass, pass".

The centre replied "three no trumps" and kept running.

A dinner at the Parkside to celebrate the end of season and award trophies was enjoyed by all. Even better was the fact that we had won the premiership in the first grade competition.

We were honoured to have the former international B Jarman speak with humorous reminiscences of his international career.

Some excitement occurred with the hold up at the hotel and Mumbles and Pat McCarten bravely conveyed the victim to hospital in Mumble's ambulance cum combi.

Captain Dave Harford thanks all players for their efforts during the year.

REFEREE

You should have seen him - baggy shorts, knock knees, joggers and track suit top. It was the States new referee.

Thanks Dave Stewart-Jones, who filled in as referee for the fourths who were short. Did a good job and everyone enjoyed the game.

MATCH REPORTS - 28 APRIL

FIRSTS VERSUS BURNSIDE - WON 16-3

Scorers H Green, 2 tries; K Wadron 1 try and 2 goals from the Doctor (Ward).

The game began with a scrappy opening but as the first half continued the forwards asserted their power and with good second phase play produced some good rugby.

A similar story with the second half, but ultimately the coaches instructions bore fruit and we ended up dominating the second half.

Best forward was Brian Sullivan and special mention to Dave Hoowarth for a singularly magnificent tackle. Best back was Sean Beaton. Overall a good effort.

SECONDS VERSUS BURNSIDE Lost 7-8

Old Collegians blew it.

Completely underdone mentally and a lack of purpose in the game were our downfall.

Plenty of chances in the second half, but to no avail. Guy Lithgow was the best back, and Dave Howe the best forward, with Browney trying hard all the time.

THIRDS VERSUS BRIGHTON - WON 11-4

Extremely satisfying to win, but the game was scrappy and played at a muddling pace.

Panic play was evident, and the team will have to control the game, and learn to finish off good movements. So often we failed to score by only metres.

On the good side Dave Schwebell played exceptionally well, although he left his kicking boots at home.

Tim Farrah made up for his match against Brighton in the fourths by outplaying the Miller contingent.

The score of 11-4 was a fair result considering the 6 full backs we had during some parts of the game, and the fact that mumbles at outside centre only got the ball once in the game.

FOURTHS - BYE

Dear Mum,

Today the forfs had a bye (hic) but we enjoyed watching (burp).

BITS AND PIECES

Our fighting fourths now have two coaches which is tremendous for this team has a lot of new talent in it. Adrian Wilson and Mick Finn have volunteered for the job. These two ex-state players will be a great asset. They are both very experienced having played in the state team for several years being a prop and a second rower. Thanks for taking on the job.

Sir Alf Quinten made a noble gesture in standing down to allow younger players to have a run in the fourths last week.

Talk about weak excuses. Dave Jewell missed training because he "slept in". Serious! Dave had a late night and took a quick nap.

It had to be a wedding or a funeral. The two McCartens dressed in suit and tie on a Saturday evening. Yes, it was a wedding.

Good to see Wayne Rosendale and Fern Schuszter around the club.

Roger Clay did a good job refereeing the firsts last Saturday.

Did you know our selector Len Perkins has been associated with the club since 1945.

We all missed Harvey Green both at Rugby and Basketball. Harvey spent a short spell in hospital for a "decoke and regrind".

Also, did you realise a polygon is a dead parrot.

MATCH REPORTS - SATURDAY 12 MAY

FIRST versus ELIZABETH - WON 38-3

*I'm sorry, but the correspondent had too many beers,
and forgot to write his report. I left the space but!
I think it was a good game.*

Best forward was Greg Pearce and best back was (again) Sean Beaton.

SECONDS versus ELIZABETH - WON 33-Nil

For the first 15 minutes the ball was held in the forwards and the game was very close. After that we dominated the game with the forwards feeding good clean ball to the backs who did everything right.

Complete concentration and superior fitness told in the end with Collegians having a day where every player went well. Even Mike Logan had a smile on his face.

Best forward was Chris Dodson whose 'phone bills to Canberra must be getting high by now and best back was Tony Wilkinson.

THIRDS versus SOUTHERN SUBURBS - WON 25-13

Mum,

Today we went to a Rugby match; they were short (about 5'6") so we ran on.

Southern Suburbs scored a try before we were ready but the referee wouldn't let us play it again. We were most put out.

Peter Farrah was sent off for giving lip and they think they might have to cleft his palate and he's well and truly forked.

Doug Schwebell is improving. He needs another 4 months with us to really gain more experience and round off his game. (He only scored 2 tries and kicked 1 conversion and 1 penalty).

Bob Burgess really got his teeth into the game but unfortunately the game won and he had to swallow his efforts.

Phil Evans provided controversy by tackling which some of recognise from the old days. We were all smiles at the end of it and Doug Schwebell and Dave Harford won a beer for their good efforts.

FOURTHS versus SOUTHERN SUBURBS - LOST 6-4

Fourth grade forwards were really on top of their opponents by the end of the first half and with Wayne Rosendale running the blind and making good ground we appeared set to win.

However the good work was not continued and a lack of concentration and poor tight play negated any scoring efforts.

The try was in fact made by a Rosendale break and after being handled by Brendon Sumner a well delivered pass to half Chris Raymond allowed us to score.

Grant Grace made a return to the paddock and "superbutts" after his game as third grade half back last week showed us all how versatile he is by playing hooker, breakaway, and wing all in the one game.

Fourth grade if they tightened up their play and eliminate elementary mistakes will go well this year.

Best forward was Simon Feldheim and best back was Brendon Sumner.

BASKETBALL

With only one more match to go we had a disappointing turnout last night. As only four players showed up we had to forfeit the match. This was most unfortunate as Brett McKann and Kevin Waldron were in scoring form and in the first 10 minutes we were in front. Bill Sheeky tried to emulate the Harlem Globetrotters and amused everyone. Editor Paul played his usual poor game but did help make up the numbers.

Don't forget the last game is next weekend and it would be good if we can field a full team.

PAUL'S COMMENTS

This week for example the newsletter is late because of (another) trip to Leigh Creek. If you can assist please contact Paul.

MATCH REPORTS

FIRSTS versus UNIVERSITY Won 47-0
Although not the strongest of opposition it was good to see our backline moving well. Wayne Rosendala, Sean Beaton, Bill Sheeky, Jamie Perkins, Kevin Waldron and of course the Doctor were all running well and as can be seen from the score managed to cross the line frequently.

In the forwards Greg Pearce and Dave Pigou stood out as being the best on the day.
SECONDNS versus UNIVERSITY Won 11-0
We went on looking good except for John Sullivan. Odd socks again! Thinking his socks were making his bag smell he washed them and left them on the line. Must make allowances for forwards.

Uni dominated the scrums throughout the game although we did manage to win ball from loose play and lineouts.
Our backs handled quite well but Uni defence was good and they didn't allow us a lot of freedom as they were standing very close.

Two tries were scored by wingers Mick Sullivan and Peter Rose, and a penalty was scored by Benzil Church.
Chris Dodson showed plenty of fire making good breaks and being always up with the play. Maz was (excuse the pun) also active in tight play and went even better with his new pair of pants.

Overall the game was a bit disappointing as the periods of good play were spasmodic with long periods of mediocre play in between.
Best player in the forwards was Chris Dodson and best back was Mick Sullivan.

THIRDS - Won by forfeit

Dear Mum,

Our reputation must have got around - they forfeited.

FOURTHS versus DNKPARINCA Won 16-4

This was the best performance of the fourths this season. The backs ran well all through the match but unfortunately the forwards ran out of puff in the second half.

David Radke ran well and Chris Raymond had a good game at half. John Douglas also ran well.

We didn't do so well in the scrums and likewise the lineouts. What ball we did get was mainly from loose play and it was definitely a day for the backs.

Best players were Andrew McKenzie in the backs and Bob Dein in the forwards.

Coach Mick Finn was all smiles and feels the club can now look forward to the fourths being in the finals.

STATE GAME versus SYDNEY Won 13-6

Greg Pearce, Kevin Waldron, Richard Waddicor, Jamie Perkins from our club represented the State in a game against Sydney on Saturday. Greg was everywhere and a tireless worker and credit must go to Richard who won almost all the scrums.

MATCH REPORTS 26/5/79

FIRSTS versus WEST TORRENS Won 23-0

From reports it was a reasonable match. We put on 14 points in the first half with Kevin Waldron scoring the first try after only 10 minutes. This was after a reverse backline movement set up by Bruce Ward. Chris Dodson is hitting form and his efforts were rewarded with a try and another game to Bill Sheeky.

Doug Scheibel kicked well getting 2 goals and one penalty.

The second half didn't reach any great heights except when Dave ^{Yanley} ~~Young~~ fell over and scored a try which Doug converted.

Best player was Sean Beaton.

SECONDNS versus WEST TORRENS Won 36-0

It was definitely a forwards scoring day with Wasei scoring 2 tries and Grant Grece and Dean Earle scoring one each. All our lightweighters are obviously running well.

Tim Farrah in a last minute promotion from thirds amazed all and sundry by not fumbling and putting 8 points on the scoreboard from 2 tries.

The backs worked well together and some good movements were seen.

Best forward was Oscar Jones and best backs were Denizil Church, Peter Rose and Tony Wilkinson.

THIRDS versus TEA TREE GULLY Won 108-0

The thirds ran out winners against Tea Tree Gully by 108 to nil. Spectators agreed that Tea Tree Gully were lucky to get nil.

A total of 22 tries was scored but with only 10 conversions it is obvious the thirds will have to improve their kicking.

Evergreen front row forwards Davies and Burgess started and Burgess was there when all 22 tries were scored but was unfortunate not to touchdown himself.

At half back Paul Butler has found his new vocation and never failed to pass out a good ball to $\frac{1}{2}$ Dave Harford.

Numbles Henderson on the wing was leading try scorer with 4 to his name however Pete Farrah had 3 when he retired "puffed out" after 20 minutes. Best players were Davies, Harford and Burgess.

BITS & PIECES

- Only 4 more games before finals.
- Yarnton gets first prize for injuries. He drew blood before he even met the opposition. Would you believe retired during warm up.
- Dennis Hayden is congratulated on his beautiful daughter.
- Thirds had a good social last Saturday at the Grecian B-B-Q. Thank goodness playing is better than singing.

MATCH REPORTS

FIRSTS versus UNI. Lost 9-3

With no significant excuses to offer we lost the match. Even though our firsts had some of their regulars missing, it was Uni who wanted the ball on the day.

Forward and back play was all right in the first half but many potentially good movements failed to put points on the board.

In the second half Uni became more determined and OC's more scrappy. After a loose ball was kicked through Uni scored and converted.

Our 3 points were scored from a field goal by Keith Gilbert.

Lock Andrews had a good game a half back, and Browney's efforts were rewarded by getting best forward on the day.

Collegian's plight was so great at one stage that John Davies gave up running the line for Thirds to yell encouragement to Collegian's defence. It was embarrassing when the ball went out on John's lines.

Phil Evens and Dennis Hayden have come out of hibernation and it was good to see them in action again.

*I am sorry about only a short newsletter. The reduction copies
broke down.*

Regards Paul

SECONDS versus ELIZABETH. Won 34-0

It was a good game to play in, even if the spectators weren't impressed. Mauling was much better and the wingers were somewhat shocked at the amount of ball they received.

Mick Sullivan at full back made some excellent runs, and both wingers scored tries.

Mumbles received special leave from the "Sallies" for the afternoon match, and after a spirited breakfast ran well.

Scrums were about even, but lineouts were in OC's favour. All the backs used the ball to advantage and Andy Younger and Pete Tokarski set up many good scoring movements.

Mick Sullivan was best back and Editor was honoured at being worthy of mention in the forwards.

THIRDS versus UNI. Won 80-3

Timmy Farrah scored a hat trick of tries, even though his leg had one bump too many, and old Doc scored 2 pushover tries.

Dave Ashton with his galloping gait charged down the line for his share of the action, and put over 7 conversions.

Geoff Harris, after a hectic 2 weeks of boozing in Sydney, decided to play for the opposition, and in fact played very well.

John Rich was in the action as well as Pete Farrah, who looks similar to a Caterpillar D9 bulldozer scrub clearing when he gets the line in his sights.

Peter Farrah was the best back, and G Compton the best forward.

FOURTHS versus ONKAPARINGA. Won 49-12

A credit to the fourths as they went on with only 12 men and still won the match.

Dane Thomsason was best back with 7 out of 8 conversions to his credit, plus a penalty goal and a try.

Mick Finn and Adrian Wilson are to be thanked again for helping win this match. They both played a full game.

Steve Lockhardt at outside centre had a blinder as did Rødke.

FINAL ISSUE

1 October 1979.

And so ends another Rugby season. All that remains are the hangovers and memories.

The grand finals were held on 22 September at Bailley. Team sheets are included in this newsletter for those who were unable to attend.

FIRSTS. LOST TO BRIGHTON. 9 to 3

Congratulations to Brighton for doing it yet again. You have to give it to them, for Brighton have a magnificent track record.

It was a tense game to watch, and the winning try was scored in injury time from a pushover try. The game was level at 3 each for most of the match, and it was a "pressure" situation for both teams.

Our points came early in the match from a penalty kicked by Bruce Ward.

SECONDS. LOST TO BRIGHTON. 4 to 3

As the score indicated this was also a pressure game. Ray Murphy kicked the 3 points from a penalty.

Our team were hammering the Brighton line for most of the second half, but just missed the winning points.

THIRDS. WON AGAINST ROSEWORTHY. 26 to 4

After a miserable first half when we were down 4-0, Mum's Thirds got themselves moving and piled on the points in the second half. John Davies amazed everyone, including himself, by kicking 3 goals, and tries were scored by Geraint, Geoff Harris and Mumbles Henderson; Dave Jewell kicked a goal.

Special mention must be made of Roseworthy. They are a tremendous crew to play against, and their spirit makes playing Rugby worthwhile.

The forwards had a good pack to beat and although they were bigger the front row combination of John Davies, John Rich and Tony Nugent set the framework for our pack to dominate.

Geraint at Lock played extremely well, making good breaks on the blind.

After a slow start the backs began to run, and Mumbles and Geoff on the wings contributed to the point scoring.

Pete Farrah, after a year of practice, pulled off his famous "B Mode" and set up a saving movement with a crashing run.

Doc Douglas paced himself well, and finished the match tired, but definitely smiling.

PRESENTATION DINNER

This was held on Friday 28 September at the Feathers Hotel.

A tremendous night which finished next day for most people. We left early, at 5 am, so goodness knows when the rest finally crashed.

- Last season was a good one with our A team taking out the premiership.
- Tennis The season is approaching - wielders of the racquet are needed. We intend to field teams in the Saturday morning men's lawn competition. This will be the third season for O.C.'s in a competition which provides plenty of tennis in a reasonably social atmosphere. Ideally we would like to have excess players to that it will not be necessary for everybody to play each Saturday. Anybody who is even vaguely interested please see Ray Murphy or Roger Clay.
- Basketball Alan Spry is the man to see for all would be dribblers. The standard is improving and some winning matches are forecast for this season.
- Touch Football Will be on, so get yourself a team together. No firm details yet, so watch the noticeboard.

SUMMER SPORTS

TOUCH RUGBY:

This year we have another competition on at Tregenza on Tuesday Evenings. The club has managed to scrape up three teams and we are very ready to admit anyone who fancies a game; just front up to the club on Tuesday nights, kickoff, 6 p.m. The State team which recently visited Canberra for the National Championships was made up mainly of O.Cs players. They put up a very good performance, beating Victoria and standing up to the Queensland onslaught until half time; they also nearly beat Canberra, but fitness showed in the second half.

ATHLETICS : About twenty rugby players are trying to put a bit of blood into the Athletics competition which is held each Saturday at the Olympic Sportsfield at Kensington. Sometimes however, the Friday night drinking session at the Patch claims a few of the lesser Athletes, one was found a couple of weeks ago at the back of the stand upside down and fast asleep! However there are a few of the boys that fancy themselves next near in Moscow so if you feel like being energetic COME OUT!

Cricket FLANNELLED FOOLS: This year we are fielding two teams in the cricket, and after last year's win, there is a good spirit in the cricket club. If you don't want to participate in the playing arena then come down and support the teams from the balcony sipping on a beer - there are games every Saturday.

BITS AND PIECES

Who's that clean shaven stranger lurking around the club?

A sports shop that specialises in Rugby attire has opened in Adelaide: SPORTS BROKERS INC. The Rugby Shop, 80A North Terrace, Kent Town.

PLANS FOR THE COMING WEEKS:

WORKING BEE on the 2nd December - come along and help get the club looking good FOR

SUNDAY JAZZ CONCERT - look out in the newsletter for this coming event.

PRESENTATION EVENING - this will be held at the clubrooms on Saturday 8 December to honour those members who are leaving us and have put so much into the club.

It is with deep regret that we learnt of the loss of Allan Rowsell, who was killed when his crayboat was overturned. Allan was a club member in the sixties, and some of the older members will be saddened at this loss.
