Congratulations to Wa yne Rosendale on winning the Sir Norman Jude Tackling Trophy.

Although Saturday was a sad day when we didn't manage to get a Premiership team, an observer in the clubrooms Sat. night could not be blamed for thinking otherwise.

Severa 1 members drowning their sorrows, became the centre of attraction and from there began a geries of riotous revellings.

John Rich was soon seen free of inhibitions, atop a table proclaiming the good fight he had fought and Muhammad Ali wasn't in it. From there he progressed to the rafters, apparently to test their solidarity and existence of termites.

Three groups of budding Harry Secombes started a Rugby sing song - sometimes hard to hear them through the a lmost constant tinkle of broken glass. The broom was running hot

æll night.

The Farrahs again present in full force, just happened to have with them their Bongo drums. They entertained members with a very earthy ethnic beat. John Davies showed that Rugby training sessions are not in vain a nd proceeded to sensuously strip to the Farrahs music. After exposing a muscular hairless chest (the 'in' thing according to a survey of English women) John escaped, much to the chagrin of many Associate members present.

Heavy weight Grant Grace, featured too. He offered Bantam

we ight, Andrew Younger a chance to Indian wrestle him. The la tter winning both times. Tasmanian Devil, going by name of 'Mumbles' was seen to beat the master to.

According to the club spy, he she would hate to think of the goings on if the 3 teams had won on the day.
