NEWS FROM SOUTH AUSTRALIAN RUGBY UNION

SEASON FORMAT 2007

As a result of proposed entries for 2007 by clubs in December 2006, it is no longer feasible to run three divisions. This has resulted in reverting to four divisions with the intention where possible to keep Premier and Reserve Grade together, preceded by Juniors. The season will run from the 14 April - 11 August 2007, with the grand Final held on the 1 September 2007. The Pre-Season Bartercard Cup in 2007 will be held again, commencing on 2nd March in preparation for the domestic season. Further details will be available soon.

DARWIN SEVENS

SA Rugby was very well represented by a State Men's and Women's rep teams, Southern Suburbs Club and two referees at the Hottest 7's in Darwin on 20-21 January. The Men went through to the second tier competition following a loss to the South Sea Drifters (Fiji) and the Darwin Dingoes in the minor rounds. The team seemed to improve from there on, securing three comfortable wins to claim the Buff Trophy. The Women came second in their pool securing a place in the semi finals. Following a close match win against the PNG women's side they went on to play the invitational team in the final. The SA Women came overall runners up in the women's competition.

RECORD 66% PARTICIPATION INCREASE FOR RUGBY

The Australian Rugby Union released its 2006 participation analysis showing South Australia as one of the leading lights contributing to the record national growth of 9.5%. Rugby is continuing to enjoy a significant resurgence and unprecedented growth in South Australia kick-started by the 2003 Rugby World Cup which saw two sold out matches at Adelaide Oval. RugbySA Chief Executive Officer Rob Nelson said the result clearly demonstrates there is a genuine appetite for the sport in South Australia. "A growth rate of 66% is stunning. We have had a dedicated focus on primary schools through our SAPSASA and EdRugby programs and these figures show the effort is starting to pay off. It also demonstrates the power of the profile that comes with staging major events in your own backyard. Rugby World Cup was a tremendous platform and we have now secured a round of the prestigious IRB Sevens World Series here for the next five years, so I think we have reason to remain optimistic about Rugby's future here in South Australia."

Sixteen countries. The world's fastest players. Forty-four games in just two days. A festival atmosphere, full of fun and excitement for the whole family. And for the revellers, a party not to be missed! This is the IRB Sevens World Series – the fastest and most electrifying sporting carnival on the planet. It's speeding its way to Adelaide Oval this Easter Weekend, April 7-8.

Each game runs for 2 x 7 minute halves with a 2 minute half time; the final game of the tournament is 2 x 10 minute halves. This dynamic event features 16 countries including the 12 top ranked international powerhouses: Fiji, England, South Africa, New Zealand, Argentina, France, Samoa, Australia, Canada, Scotland, Kenya and Portugal.

Rugby fans around Australia have thrown their support behind Adelaide's inaugural International Rugby Sevens tournament with over 7,000 tickets having been sold. Get your tickets as soon as possible if you have not done so already to ensure you secure the best seats in the house. You have to be there to experience the atmosphere of Rugby Sevens in Adelaide. The party and festivities will be something that you do not want to miss. As you can see from the images below, anything goes! The best way to enjoy this carnival is to become a part of it!

Order now at www.venueTix.com.au,

AGM REPORT 2006

Our identified main goals for 2006 were fivefold:

- to keep four competitive men's teams on the pitch;
- to see our First Grade team play in, and hopefully win, the 2006 premiership;
- to retain the West End Trophy;
- to complete the club's renovations and to finance those renovations with minimum debt.

Each of these goals was achieved, despite a sluggish start on all fronts. The first two months of the season were conspicuously difficult. Our renovations took longer than anticipated and we could not host any home games until the end of July. This had a negative impact on our results on the field, club morale and our profits over the bar. We had weeks with many players unavailable due to state commitments, work or injury. The clubrooms were broken into and the club lost cash and equipment to the tune of many thousands of dollars. At the end of July, our First Grade had only a 50% win rate. Fortunately, the tide turned and we finished strong; these early hiccoughs were soon forgotten.

We again fielded four senior men's teams and a women's team; we are the only club in SA to do so. Thanks go to all players, managers and coaches for their commitment. It is this commitment that led us to retain the West End Trophy for best club for the sixth consecutive year. The West End Trophy is proof that we remain the strongest club in South Australia in terms of participation and development of rugby.

We saw our First Grade remain as a close knit, loyal and successful unit and I applaud them for their hard work and their commitment to their rugby, their club and each other. I would particularly like to thank coach Rob Sadler and managers Hamish Cranna and Harry Clark for their work with the team. Season 2006 will obviously be remembered for their grand final success, but it should also be celebrated for strong performances in all grades. In addition to the glorious First XV, our Women's XV, Second XV and Fourth XV all played in finals and put in some good solid work which we can build on for greater successes in 2007.

The Club's renovations of the kitchen and showers are now all but complete, after a few years' delay! My eternal thanks to Mark Pickard of Direct Interiors, Calum Mackie of Waterproof Plumbing, Jim Denley and his team, Gordon Hazzard of Southern Plasterboard and to all the clubmen who assisted throughout. Their generosity of time, materials and funds has made all this possible. We now boast some very, very nice facilities which will stand us in good stead for years to come.

Again, thanks to the generosity of a number of people, we have been able to fund the renovations with minimum pain. The government grant covered the process of demolition and much of the cost of the renovations was borne by the fantastic generosity of Mark Pickard. Nevertheless, we have had to find many thousands of dollars to pay for labour and materials and this has been done by in the main by careful belt-tightening and enthusiastic fundraising. My thanks to the senior committee for the former and the whole club for the latter (and in particular to the David Ludlow, the third grade and women's team for their fundraising efforts and to Peter Policki for his help gaining some cash sponsorship.)

Our juniors developed further with increases in player numbers and on-field successes, including all teams participating in finals (other than the Under 8s and Under 10s, whose competition does not include a finals series). Neil and Ann Bradley again outdid themselves in their management of the Junior ranks and I thank them. Neil has now retired from the management of the Juniors and he leaves us in an excellent position to continue the pattern of growth and improvement at which he has worked so hard to achieve.

We were fortunate to boast a number of SARU award winners in 2006:

- Andy Farquharson, winner of the Don Smith Medal for Best and Fairest player in SA in 2006, SARU's Trophy for Best Back in 2006 and the award for Best Player in the Physio Direct Black Falcons.
- Bec Manson, winner of the Edna Reilly Trophy for Best and Fairest women's player in SA in 2006.
- Kate Reynolds, winner of the Lito Fata Trophy for Best Women's State Player in SA in 2006.
- Brad McDonald, winner of the trophy for Best and Fairest Junior player in the SA competition.

Sponsorship continued to be a critical part of the club's income in order to keep subscriptions down and cover the growing costs associated with providing rugby and facilities to our members. Several business and people provided much needed cash or in-kind sponsorship in 2006, and special thanks must go to Physio Direct, Direct Interiors, One Steel, the Feathers, Coopers Brewery, Hygienic Pigging Systems, Orlando Wines, O'Connell Meats, Dulwich Bakery, Athlete's Foot, Champs Sport Store, GHD, the Mortar & Pestle Café, Ballroom Billiards and a number of individual benefactors.

Senior player numbers remained approximately static. We collected slightly more in subscriptions this year, despite giving discounts for early payment. There has been an improvement in the number of players paying their subscriptions across the teams, with particularly solid efforts from the First Grade and the Women.

After a very slow start to the social season thanks to the lack of home games, we eventually saw some good nights at the club but recorded a drop in bar and canteen profits overall. Thanks go to Curtis Hale and Sue Thewlis who again provided great service behind the bar and at the canteen, which continue to be our greatest sources of income.

We were, as usual, dependant on a small group of dedicated volunteers who provided match reports, canteen services, line marking, ground set up and take down, cleaning and many other jobs to provide an enjoyable environment for our players and supporters. Thanks to the senior committee:

- Kim Evans, President
- Graham Raymond, Vice President
- Sue Thewlis, Secretary
- Ian Barrie, Treasurer
- Tara Naige, Social Director
- Danny McCartan, Director of Rugby

Thanks also to Club Captain David Ludlow and Selectors, Ted Apted and Barry Nichol. My especial thanks go to all those who perform the mundane, regular duties which keep the club going. In particular, my undying admiration and gratitude goes to:

- Ted Apted for line marking, ground set up and take down, manning the scoreboard, managing the recycling and a thousand other thankless tasks;
- Neil and Anne Bradley for their work with the juniors but also for their help with managing the ground and the clubrooms.
- Sue Thewlis for running the canteen, and generally without whom we would all be lost.
- Rob Sadler, our First Grade coach and absolute stalwart of the club.
- Paul Horne, for his management of the website whether he's based in England, India or Adelaide.
- Michael Lowe, Bec Manson and Kate Denley, (and their team) who provide first aid and physiotherapy support.
- Denzil Church, who as an adjunct to his role as 2nd XV Manager also kept records of games played and players' injuries which made the processes of selection and finals qualification much simpler.

Full accounts and reports from the AGM are available to any club member who was not able to be present at the AGM in December 2006.

In closing, I thank the committee, coaches, managers and players for their support and hard work in 2006. The community of this rugby club is second to none and I am privileged to be a part of its continued success.

JUNIOR RUGBY REPORT 2006

Old Collegians' Juniors prospered during 2006. We are the second largest Junior Club in SA. We continued our growth from 2005 with a small increase when most other Clubs went backwards. Where we do have a problem is in the age demographics. We are very strong in the U8, U14, U16 and U18, but not very strong for those in between. On the Coaching side we were ably assisted by U8s: Trisha Abbott and David Rowe, U10s: David Pridham and Tony Wilkinson, U12s: Tony Hervey and Matt Hodgson, U14s: Simon Maklin, Guy Barrett and Wil Chattaway, U16s: John Sullivan, Mike Champion and Jon Neate, U18s: initially John Bell who had to give up during the year for work reasons and his position was taken by Jim Hartnet. We would also like to mention the effort that our first grade coach, Rob Sadler, put in advising the new coaches. They were also supported by a number of parents as team managers. We thank each one of them for the part they played.

On the rugby side, the U16s won the Preseason 7s competition and the U12s the plate. In the home and away competition all teams showed progress and development through the series. All teams for which there were finals, made it to the semis. Unfortunately none made the grand finals.

The Club had representatives in all State teams. The following achieved State representation: Brad McDonald, Hugh Lord, Tom Nutt, Will Sadler, Jack Champion, Edward Lucas, Jamie Foster, James Neate, Alex Velarto, Nathan Linder- Patten, Daren Pinkerton and Stewart Nutt.

Brad McDonald won the Best and Fairest player in the Junior union. We congratulate him for that. He and a number of his team mates will be welcomed to our senior divisions in 2007.

The annual Club scholarships this year were awarded to Hugh Lord from the U18s and Gary Bautz of the U16s, to attend the Brumbies Development Camp being held at the AIS in January.

The SAJRU voted to disband itself at the end of 2006 and its functions have been absorbed into the senior union. We have supported this move as it brings SA Rugby into line with the rest of Australia and provides support from the SARU where there was none previously.

We welcome the club's new Junior Committee. Their names are set out earlier in this edition.

JUNIOR RUGBY NEWS

Schools and Tournaments

As part of the South Australian Primary Schools Rugby Union Pathway, the Australian Rugby Union and SA Rugby Union are taking bookings from schools for free in-school clinics in Term 1. They are designed to prepare the kids for a SAPSASA Regional Walla Rugby Sevens Tournament in Weeks 5 – 8 of Term 1. This will be a full day tournament for boys and girls in Years 5, 6 and 7.

SA Rugby will be holding the Kickstart Program again, a 6 week introductory program aimed at Under 8 to Under 12 age groups. All coaches for U8's to U16's and Junior Co-ordinators are requested to attend a training session on 24th February which will also be attended by some of our Senior coaches and Rugby Committee.

There will also be a Secondary Schools 7's Competition during week 5 of Term 3. SARU will provide more information later.

Fees and discount structure for 2007

Team Age Group	Full fee	Family discount fee
U8, U9, U10, U11	\$70 per player	\$45 per player
U12, U14, U16, U18	\$80 per player	\$50 per player

Where there is more than one player from a family registering with the club, the oldest child will be charged the full fee for their age group. The family discount fee will then be charged for the second and each subsequent child, dependant on their age group.

Registration Dates

The Club will be holding Junior Registration Days on Sunday 25th Feb and Sunday 4th March 2007 at Tregenza Oval, 11am to 4pm. There will also be a BBQ and Sausage sizzle. The junior club will also be hosting an additional registration day in line with the SARU Kickstart registration day, probably on the 24th March 2007. (This date to be confirmed later).

Uniforms

We hope to have the samples at the Registration Days of new inexpensive junior club fleece tops and fleece beanie hats for players and parents to order. The committee strongly encourage the fleece tops to be worn to and from matches and training sessions, to encourage a stronger sense of team and club identity. However, this is not going to be a compulsory uniform as yet. We also hope to have adult sizes for any interested parties to order.

Training and Games 2007

The junior club will be running training sessions from Wednesday 7th March 2007 where we will be offering new and existing players the opportunity to initially take part in the Kickstart 6 week program (discussed above) and then continue with regular training sessions. It is anticipated that the first club matches will take place on Saturday 4th May 2007.

SCRUM BAG

Will Chattaway (from our 2nd and 3rd division in 2006) was missing rugby so much he has gone to the UK to play. He has hooked up with London and Welsh at Richmond and is playing in their Under 19s academy squad, sliding around in some Celtic bogs in Wales. He can't believe how cold it is down there, but he is enjoying the challenge of the tough Welsh game and looking forward to coming back for the new season with Old Colls.

Congratulations to the OC's players who travelled to Darwin to represent SA and participate in the **World's Hottest Sevens**: Andrew Farquharson, Ben Hamer, Charlie Sheppeard, Ben Suttell, Christian Tedge, James Hopkins, Kim Evans, Tara Naige, Kate Reynolds and Andrew Schwilk (ref). Andy Farquharson is shown here, playing against the Fijian team who won the competition.

High resolution copies of great Darwin 7s photos can be purchased from <http://www.photographybyilk.com> (the source of this photo).

Our own **Brock James** left Western Force last year and joined Clermont Auvergne in France. He has been named as the top scorer in the Top 14 in France at the end of 2006. James scored 247 points by the end of Round 17 of the tough championship. James's points are made up of three tries, 54 penalty goals, 26 conversions and six drops. Clermont Auvergne, the Michelin side, are having one of their best seasons in some time and are at present hard on the heels of Stade Français at the top of the Top 14.

Every year we pick two or three of our brightest junior players and send them off to a rugby camp in NSW. As reported elsewhere in this edition, the 2006 season rewarded Gary Bautz and Hugh Lord. Unfortunately for Gary, a swan dive off the roof over the Christmas holidays resulted in a broken elbow meaning that he'll miss his rugby camp experience this month and have to postpone it till the same time next year. While we're very sorry for Gary's injury, we note with some amusement that in a few years he will fit *right in* with the First XV. There's a few of them who fall off rooves too. Any guesses about who we have in mind?

In answer to your questions, yes we *will* be having a **pre-season pub crawl** again. Keep the weekend of 24th March free.

Congratulations!

Our congratulations, love and best wishes go to:

Belinda Wade and Michael Lindow on the birth of their son Samuel (shown, left. Mum swears he'll play for Australia)

Jon and Emma Collins (nee Suttell) on expecting their first child

Andrew Sheppeard and Crystal who were recently married
